Hi all,

Thanks so much for a productive first meeting. I'm attaching the slide deck for your reference.

As we discussed, please do send draft outlines and inventories for your agency's section of the report by next week, if possible. I've circulated a calendar invite for a 30 minute call next Wednesday. If there are folks from other relevant agencies who ought to be included in future meetings, please send their contact information to me and I will invite them to join.

In the interim, I'll develop a proposed plan for stakeholder engagement and share next week.

Gratefully,

Jane
